

At the best places in the world

SO WHAT IS BEYOND LIMITS?

A Travel and Event Network of passionate, global organizers who go Beyond Limits to redefine the travel MICE industry from a logistical arrangement to an absolute life changing experience!

We hand pick the best of the best professionals based solely not on their size or fame, but their untapped passion to excel and their commitment to offer innovative and inspirational travel experiences that will transform the travel industry.

We are real people , with real smiles and a passion to create Unique Experiences

WE ARE NOT PHILOSOPHERS BUT WE HAVE A SIMPLE PHILOSOPHY...

They say even if something is very good you can still do ...better !

This is exactly what we believe in, *as getting better and better is a continuous process and not a static phase.*

This is the Philosophy on which BEYOND LIMITS was created:

To select the Best of the Best in each country.

WHAT DO WE DO?

Business Incentives and Meetings

We provide the highest level of customized management, concept, design and execution of Corporate Meetings, Conventions and Business Incentive Travel as well transportation, concierge and cutting-edge dining and entertainment services. A highly skilled international team with diverse expertise, extensive talents and passion for excellence will design the ideal itinerary and execute it flawlessly.

Events and team Engagement

Our experience in designing solutions will ensure the highest concept & execution quality standards. Our unique personal-based approach helps us understand how to better address every one of your wants, needs and even concerns. We will work closely with you and your team to fully tailor the result to maximize the experience and wow your guests.

Individual Travellers

A deep understanding of exclusive, elite and VIP individuals and your corporate customers' needs. A thorough knowledge of the destination, with exquisite scouting, own top destination management operations and partnered with some of the best specialists and suppliers. The result: You will get a tailor made, bespoke itinerary for a truly unforgettable experience.

BETTER PLANNING

Our unique **personal-based approach** helps us understand how to better address every one of your wants, needs, hopes, interests and even concerns.

We ask you the questions to extract your needs, understand your wants to **tailor the result** just for you and your guests.

BETTER VALUE

Our collective intelligence, extensive travelling, and constant updates on the world's **coolest places**, the most talked-about spots, the insiders' "must-see's" and the locals' "must-do's" buys you time and costs you less effort to enjoy **the absolute best** that your budget can buy.

BETTER EXPERIENCE

Our extremely **high standards** in day-to-day execution is clock-worked and led by a constantly trained and highly skilled team that is beside you at any given moment to remove all obstacles and **absorb inconveniences** for you and your guests, to make the trip **utterly authentic**, enjoyable and **carefree**.
