# Dubai – United Arab Emirates

Dubai is an emirate within the United Arab Emirates (UAE). The emirate has the largest population with the second-largest land territory by area of all the emirates, after Abu Dhabi. City of Dubai is located on the emirate's northern coastline.

Today, Dubai has emerged as a global city and a business hub. Although Dubai's economy was built on the oil industry, the emirate's main revenues also flows in from tourism, real estate, and financial services. Dubai has recently attracted world attention through many innovative large construction projects.
