Private Travel Services

Events & Celebrations

We are a highly dynamic 360 degrees destination management company in Turkey. We use our 60 years of cumulative experience to plan, produce and execute flawless corporate and private events for our esteemed clients. Well routed in Turkey, and Northern Cyprus, we collaborate with a vast number of suppliers to craft dreamlike experiences and deliver timely, efficient, creative, and personalized services to each client.

WHO WE ARE

TAY Istanbul's specializations include corporate events such as incentive travel, meetings&conferences, event management, business travel management as well as product launches, while we deliver vacation management, luxury experiences, special interest tours, travel management, and concierge services for our private clients. Our deep know-how on celebrations and events like destination weddings, birthday parties, anniversaries, and honeymoon planning make us a top destination management company to handle your requests in Turkey and Northern Cyprus.
