fully customized for your clients

WELCOME TO ISRAEL

Because of its strategic location at the crossroads between Europe, Asia, and Africa, Israel has been a vital hub of culture and commerce dating back over 1.5 million years, when early humans first wandered out of Africa. Sites of archaeological and historical interest cover nearly the whole country, spanning time from the earliest evidence of human migration, through the many ancient civilizations that successively conquered the region, and all the way up to the history of modern-day Israel. But religious and archaeological history is only the tip of the iceberg. Booming culinary and wine scenes, incredible beaches and nightlife, and stunning natural wonders will make this an unforgettable trip for all of your guests.

ACCOMMODATIONS

Whether it's ultra modern high-rise hotels overlooking Tel Aviv's sparkling Mediterranean coast, old-world luxury in Jerusalem, a secluded spa resort in the desert, or anything in between, Israel has hotels for every kind of package.

We'll take care of all your special event requirements, from venues and catering to music and more.

And, of course, we'll handle all your transportation needs and take care of all the trip logistics.

CARLTON HOTEL

Tel Aviv

Located on Tel Aviv's vibrant beachfront promenade, the Carlton offers stylish and understated luxury, world-class dining, and one of the best spas in Tel Aviv. Their rooftop lounge is the perfect spot for a sunset happy hour or just relaxing in the sun. With well-appointed guest rooms overlooking the Mediterranean Sea, event spaces for all your needs, and award-winning service, the Carlton is the perfect headquarters for your trip.

DAY TOURS OUT OF TEL AVIV

Spend the day outside of Tel Aviv and explore Israel's rich history, extraordinary natural resources and many attractions.

We'll put together tour days that work for your group, whatever their interests or travel goals. From bucket-list sightseeing to specialty tours all over the country, we'll make sure your tour days fit perfectly into your package.

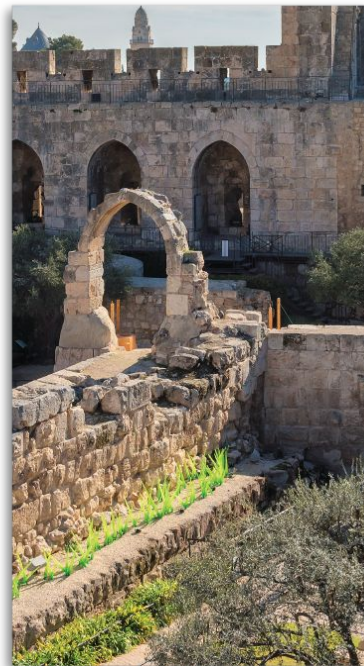

Below are just a handful of options, but we're dedicated to perfectly customizing your clients' package to their wishes.

TOURING

JERUSALEM DAY TOUR

Jerusalem is one of the world's great treasures, attracting millions of travelers every year to experience its many charms and rich history. Probably best known for its religious significance to Jews, Christians, and Muslims, Jerusalem is also home to some of Israel's most visited museums, archaeological sites, nature parks, and even food and wine scenes.

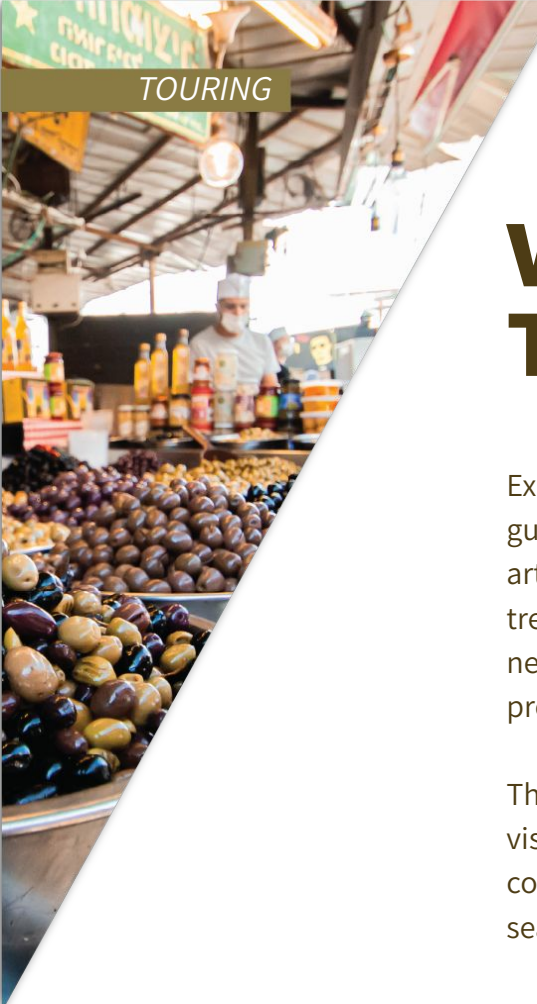

DAY TOUR TO THE DEAD SEA

At the lowest spot on earth, the breathtaking desert landscapes offer spectacular views to visitors. A day trip to the Dead Sea region has something for everyone: archaeological sites, natural wonders, and, of course, the once-in-a-lifetime experience of floating on the Dead Sea.

After a dip in the Dead Sea, enjoy an afternoon relaxing at a rejuvenating spa and experiencing the healthful benefits that have attracted visitors to these waters for thousands of years.

TOURING

WALKING TOUR OF TEL AVIV – JAFFA

Explore the many layers of Tel Aviv on a fascinating guided tour of historical, architectural, cultural, and artistic landmarks. Walk through vibrant artisan districts, tree-lined boulevards, ethnic enclaves, hip neighborhoods, and, of course, the colorful seafront promenade.

The Old City of Jaffa and its historic port area offer visitors a glimpse of the past with their narrow cobblestone paths, colorful flea market, and stunning sea shore.

CULINARY & WINE SCENE

Israel's food and wine culture has been experiencing a renaissance and the opportunities for visitors are truly infinite. Dining in world-class restaurants, experiencing the bustle of open-air markets, and participating in fun cooking and baking workshops are incredible ways to engage with Israel's rich cultural tapestry. You'll also be able to tour some of Israel's best wineries with professional experts in the field and learn all about the history of wine production in Israel dating back to Biblical times.

EXPERIENCES

OUTDOOR ADVENTURES

Israel is the perfect place to get outside and play! Endless water sports, biking & hiking, climbing & rappelling, jeeping & ATVing, and so much more. From beach to cave, ravine to desert, there's an option for every kind of group.

INNOVATION & TECHNOLOGY

Israel is known as the “Start-Up Nation” and a hub of technology development. Take a look behind the scenes and see what is developing in Israel’s high-tech scene and making Tel Aviv the global financial center it is today.

See where all of the innovation begins, hear about some of the brilliant new ideas just starting now, and meet some of the innovators themselves.

TEAM BUILDING & FUN

Take time to strengthen relationships, improve rapport, and nurture teamwork and camaraderie with fun and interactive activities that will bring your team closer together.

Spend a day training with counter-terrorism experts, learning from top chefs, competing in a scavenger hunt or escape room challenge, paintball, ropes course, and many other activities.

SERVICE

ISRAEL... *UNCOMPLICATED*

We want your experience with Dekel to be easy, efficient, and pleasant, and we won't rest until your clients (and you) are completely satisfied with their custom tour package. And you can rest assured that from the moment they land in Israel, they'll have the complete 24/7 support and backing of Dekel Tours. No matter who your clients (or how many travelers), no matter what kind of Israel experience they're looking for.
